*as part of GLBT Awareness Week*

From a perspective seldom considered in mainstream gay – or straight – culture, Raymond L. Rigoglioso, founder of Gay Men of Wisdom, takes a fresh and open-hearted look at the critical roles that gay men play in the world. Organized around 14 Distinct Gay Male Gifts, *Gay Men and The New Way Forward* shows how gay men have emerged from a history dominated by victimization to become teachers for humanity. It proposes that, when we understand how we contribute to the health and vitality of society, LGBT people can make an entirely new case for equality and begin an important new era in our movement.
